

AveXis Announces Closing of Public Offering of Common Stock and Full Exercise of Underwriters' Option to Purchase Additional Shares

Jan 22, 2018

CHICAGO, Jan. 22, 2018 (GLOBE NEWSWIRE) -- AveXis, Inc. (NASDAQ:AVXS) today announced the closing of its previously announced underwritten public offering of 4,509,840 shares of its common stock at a price to the public of \$102.00 per share before underwriting discounts and commissions, including 588,240 shares sold pursuant to the underwriters' full exercise of their option to purchase additional shares. The net proceeds to AveXis from the offering, after deducting the underwriting discounts and commissions and other offering expenses payable by AveXis, are estimated to be approximately \$431.9 million.

AveXis intends to use its existing cash and cash equivalents and the net proceeds of the offering to fund its research, manufacturing and clinical activities to support its programs in SMA, Rett syndrome and ALS, to fund its pre-commercial activities, including medical affairs, development of commercial initiatives for the potential launch of AVXS-101 and licensing activities, and for general corporate purposes and working capital.

Goldman Sachs & Co. LLC, Jefferies LLC and BofA Merrill Lynch acted as joint book-running managers. BMO Capital Markets Corp. acted as lead manager.

The offering was made pursuant to a shelf registration statement on Form S-3 that was filed by AveXis with the Securities and Exchange Commission ("SEC") and became automatically effective on March 17, 2017. The offering was made only by means of a written prospectus and prospectus supplement that form a part of the registration statement. A final prospectus supplement and accompanying prospectus relating to and describing the terms of the offering has been filed with the SEC. Copies of the final prospectus supplement and accompanying prospectus may be obtained for free by visiting EDGAR on the SEC's website at www.sec.gov.
